### *CHARTER 1965*

Good day Comrades,

This last month seemed to just fly by, with the members dinner completed, it is time to move into the Holiday events. Thank you all for your help with Booya, Members dinner, and post cleanup.

As the weather turn cold, let's keep in mind our comrades that don't have a warm place to sleep, or enough food to eat. We are here to assist when we are called on.

There are a lot of great events coming up between now and the end of the year, if you are interested in assisting with these events please contact me. Please support these events by coming out to the Post when you can.

Special shout out to Jim Williams for earning the Commander's Trophy this year, well deserved. And thank you to all the winners of the service hour awards. Please remember to submit services hours, does it not only qualify you for awards at the end of the year, it assist in showing Department and National all the great things that the members of this Post are doing.
